WHY ME

Why work with me

80.8%
An audience in buying age
of viewers are 18–34, mostly men who follow tech. The same people who buy phones, app subscriptions and AI tools.

141.7K
Content people save
saves on the top 4 videos. A save means the viewer plans to come back, so your product stays in front of them until they decide.

44
Real ad experience
sponsored videos for brands like MiniMax, Kimi, Temu and itel, in a natural style close to my regular content, so viewers watch to the end.
